SUBCHAPTER I

GENERAL REQUIREMENTS AND DEFINITION

ATCP 160 ELIGIBILITY. The following is the age/grade final revision, approved by the State Board of Agriculture. In the junior fair division the department may pay state aid on prizes offered to exhibitors who are under 20 years of age on January 1 of the current fair year. A county or district fair board may establish sub-groups within a junior fair entry class based on the exhibitor's grade level in school. The Department may not pay state aid on prizes for club parades, club floats, song contests, or a project which is not an exhibit or demonstration at the fair.

ATCP 160.01 DEFINITIONS. As used in this chapter:

- (1) "Class" means a grouping in which exhibits may be entered, including an animal breed or age group for animal exhibits; a type of produce, crop or food; or a specific age, age group or educational grade level of exhibitor.
- (2) "Department" as it relates to the organizational structure of a fair, means an animal species, production group, or other principal classification of exhibits. As used in any other context, "department" means the state of Wisconsin Department of Agriculture, Trade and Consumer Protection.
- (3) "Division" means one of three exhibitor group classifications for a fair and is limited to junior division, open division and senior citizens division.
- (4) "Lot No." means the numerical designation assigned by a local fair for a specific category of exhibits within a class.
- (5) "Premium" means a monetary prize that a county or district fair awards to an exhibitor after judging all competing exhibits in the class to

which the premium pertains.

ATCP160.02 PREMIUM REQUIREMENTS.

(1) GENERAL

- (a) The state aid authorized by s. 93.23 (1), Stats., may be paid only on net premiums, which consist of total premiums paid less total entry fees received. The department may withhold state premium aid from any fair which does not enforce the animal health provisions required under ch. Ag 10 for all classes of livestock exhibited at the fair. State aid will be paid only on premiums actually paid by bank check or draft.
- (b) No deductions may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition rules established by the fair association are violated. A written statement of violation shall be submitted to the department to justify action taken by a local fair.
- (c) Premiums offered shall be definite in amount. No decrease or increase in published premiums may be made because of the financial condition of the organization or for any other reason.
- (d) State aid may be paid on no more than 2 premiums awarded an exhibitor under one premium or Lot No. in open division individual livestock classes, except poultry and rabbits, and no more than one premium in all other classes, including poultry and rabbits.
- (e) No county or district fair may receive state aid for a premium awarded to any exhibitor in the open division if that exhibitor entered the same exhibit in the junior division at the same county or district fair. This paragraph does not apply if the exhibit was entered in the junior division only as part of a herd group, carcass class or performance class.
- (f) No state aid will be paid on the cost of ribbons, cups, trophy prizes or entertainment contests.

(2) PREMIUM LISTS

- (a) Premiums for which state aid is requested by county and district fairs shall conform with uniform premium list and other requirements as set forth in these rules. Fairs requesting state aid for net premiums shall submit to the Department, a printed copy of the premium list used at the fair, as required under s. ATCP 160.92 (3)
- (b) The officers of each fair shall mail a copy of the premium list to other associations, societies, or boards conducting a fair in Wisconsin upon request.
- (c) Sections ATCP 160.01 and 160.91 shall be published in the premium books used by a fair for which state aid is requested.

(3) ENTRY FEES

- (a) A county or district fair may charge an exhibitor an entry fee. The entry fees may not be in excess of 10% of the sum of all

premiums offered to exhibitors in the same class for which the entry fee is charged. In lieu of an entry fee, a county or district fair may charge stall rents for horses, cattle, sheep, goats, swine, poultry, rabbits, or pets. Stall rents shall not exceed \$1.50 per single stall, or animal or \$3.00 per box stall for horses; \$1.00 per single stall or animal or \$2.00 per box stall for cattle; and \$0.50 per animal or \$2.00 per pen for swine, goats or sheep. A standard pen for swine, goats or sheep is approximately 64 square feet. Cage rents may not exceed \$0.50 per head for poultry, rabbit and pet stock exhibits.

(b) Exhibitors in the educational and school department shall not be required to purchase an exhibitor's ticket. Any other exhibitors may be required, if no entry fee is charged, to purchase an exhibitor's season ticket at a price not to exceed that charged for non-exhibitors season tickets.

(4) SPLIT FAIR DATES

(a) For purpose of this subsection, "split fair dates" occur when a fair organization judges exhibits or contest and pay premiums at more than one location during the calendar year.

(b) Except as provided under par. (c), the department may not pay state aid for fair having split dates unless the Department gives advance written approval for a split fair. The department may approve split fair dates only if the fair organization justifies the split dates on extreme hardships. If the department approves split dates, all blue ribbon winners shall repeat their demonstrations or exhibits at the regular fair dates unless the department grants a hardship exemption. An exhibitor may use audio-visual media, still photography or educational display to repeat a demonstration or exhibit.

(c) The department may pay state aid for the following exhibits or contest in a fair having split dates, regardless of whether the department approves those split dates in advance :

1. Clothing revue.
2. Demonstrations.
3. Favorite foods revue.
4. Dogs.
5. Small animals.
6. Rocketry.
7. Shooting sports.

ATCP 160.03 EXHIBITION REQUIREMENTS. A county or district fair shall meet all of the exhibition requirements of this section to be eligible for state premium aid.

- (1) No fair society or other organization sponsoring a county or

district fair shall require an exhibitor to become a member of the organization in order to enter an exhibit at the fair, nor shall the sponsoring organization make any deduction from an exhibitor's premium as a donation to the fair society, or require an exhibitor in any other way to make a donation to the society.

(2) State aid may not be approved for out-of-state exhibits or for separate classes of local and non-local exhibitors. Aid may not be approved for payment of premiums to an exhibitor having an out-of-state address but claiming Wisconsin residency unless the fair secretary provides the department with an affidavit that the exhibitor's residence is geographically located within the state.

(3) State aid may be paid only on articles or animals actually on display in an exhibit building or actually shown in the show ring on regular fair dates, unless approval for split fair dates is obtained under s. ATPC 160.02 (4). State aid may not be paid on Dairy Herd Improvement Association records, transportation aid, production contests or other special educational exhibits unless prior approval is obtained under s. ATPC 160.04 (8).

(4) State aid may not be paid on exhibits removed from the fairgrounds before 4:00 p.m. of the last day of the fair, or such **other later time as** may be specified by the fair, without prior approval of the department. Authority for earlier removal may be granted by the department, in the case of meat animal sales or other special classes, if requested before the beginning of the fair. In other hardship cases, approval may be granted by the local fair. Exhibits in dog obedience and small animal pet classes may be judged during the regular fair, but are not required to remain present during the entire fair. The local fair may prescribe the length of time junior fair exhibitors of horses shall keep their animals on the grounds.

ATPC 160.04 JUNIOR FAIR DIVISION; GENERAL REQUIREMENTS.

(1) Eligibility. In the junior fair division, the department may pay state aid on prizes offered to exhibitors who are under 20 years of age on January 1 of the current fair year. The department may not pay state aid on prizes for club parade, club floats, song contest, or a project which is an exhibit or demonstration at the fair.

(2) All exhibitors in the junior fair division shall be members of 4-H, FFA, FCCLA-HERO, Scouting programs, breed groups, or any other recognized youth organization under adult leadership and with an education program approved by the local fair.

(3) Exhibits in the junior fair shall be a result of the exhibitor's own labor and may include a study, merit, or other special project, a skill area or a supervised occupational experience in which the exhibitor is regularly enrolled.

(4) State aid may be used for the payment of no more than one premium awarded an exhibitor under any one premium or Lot No in the junior fair division, except when awarded as part of a group in livestock exhibits or in showmanship.

(5) Premiums in the educational department shall be paid directly to the exhibitor who made the exhibit and not to the school or teacher, except for the group premiums offered to interschool competitive classes.

No aid may be paid on education department premiums unless a complete list of exhibitors and a complete set of judges sheets for the education department, similar to those required in other departments is filed with the department. All educational exhibits shall be displayed at the fair regardless of whether they are judged prior to or at the fair.

(6) If 16 or more animals, items or articles are entered in any junior fair class, the class may be divided into 2 or more approximately equal groups according to weight, age or other identifying characteristic and each group judged as a class.

(7) Special education exhibits may be established if the proposal is presented to the Wisconsin association of fairs before October 1 of the year preceding its proposed establishment and the exhibit is approved by the department.

(8) In all departments in the junior fair division under subchapter IV, special classes may be established where none are specified for the item, article, or a recognized breed, including special classes for grade and crossbred females in beef, swine and sheep. State aid may be paid for the created special classes in amounts equal to comparable established classes in the same department.

ATPC 160.07 CLASSES: GENERAL REQUIREMENTS.

II - JUNIOR CLASS

*****NOTICE TO JUNIOR EXHIBITORS*****

Use the grade that the exhibitor is in the current school year of the Fair.
2008-2009

All Scholarship and Special Awards must be 2009 High School Graduate.

SPECIAL AWARD - The Lafayette County Livestock Shippers Association was formed in 1915 to facilitate shipping livestock produced in Lafayette County to market. This Assoc. is no longer in existence. Its remaining funds have been deposited and the interest from this will be used for an Annual Scholarship for 4-H, FFA or FCCLA members who exhibit at the Lafayette County Fair and who plan on attending college. This award is open to anyone exhibiting in ANY JUNIOR DEPARTMENT at the fair. (Entry form on page 10 of fair book).

Lafayette County 4-H Scholarship

This Scholarship is open to graduating high school seniors and college freshman who are current Lafayette County 4-H members with at least four or more years of membership. Preference will be given to those who have not yet received this scholarship.

The following are required to be included with this scholarship:

1. Copy of high school transcript.
2. Listing of: 4-H activities and accomplishments, school extra and intra curricular activities, and community leadership.
3. Briefly state any circumstances you feel the selection committee should know in taking action relative to your application.
4. Autobiography (may be in letter form).
5. One letter of recommendation (other than relative of the applicant).

Application must be postmarked by May 31st. The Scholarship Winners will be announced Sunday of the Lafayette County Fair in the cattle barn at 12:00 p.m., before the Rural Olympics.

Application forms are available at the U.W. Extension Office.

****ATTENTION ALL YOUTH LEADERS****

A number of people have expressed concern about the allotment of space in the cattle barn. This problem is the result of clubs reserving more space than they really need. We recognize it is difficult at entry time to report an accurate number of animals which will actually come to the fair.

Judging of Herdsmanship will be handled by animal superintendents or their representatives. Herdsmanship awards will be judged in dairy for 4-H class and FFA chapter/Junior Holstein. Beef, sheep, and swine awards will be awarded to 4-H and FFA chapters. Judging of "Herdsmanship" contest will begin on Friday, July 17 after 3:00 p.m. You will be judged on: Preparation of the Exhibit, Care of Exhibit, and Appearance and Attitude of exhibitors.

Therefore, the Fair Committee is asking the leaders of all 4-H clubs, FFA chapters, and breeding group to report the number of animals (cows, yearlings, calves, dairy, beef, sheep and hogs) being exhibited to the fair office (776-4828) no later than 4:00 p.m. on Wednesday, July 1, 2009. Any club that abuses request for space may forfeit trophies for Herdsmanship, forfeit premium money or may be the reason for the start of stall rent or fees at Lafayette County Fairs in the future. Please, let's all cooperate so all exhibitors have a fair share of space.

Lafayette County Fair Committee
